Corner pieces with Wide & Narrow Edge Strip

Corner Protector

Tray bottom corner protectors

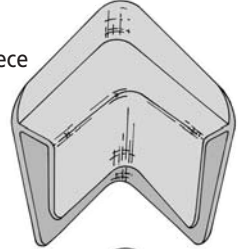

Corner pieces

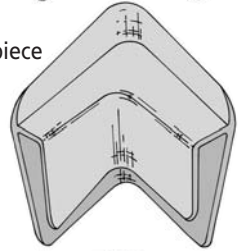

Three types of corner piece to suit tray construction:

- Left & right handed where corner of end panel is twice the material thickness of the side panel (as per sketch below)
- Equi-corner where end and side panels are the same material thickness
- Corner pieces lock edging strips into position and bind tray corners together

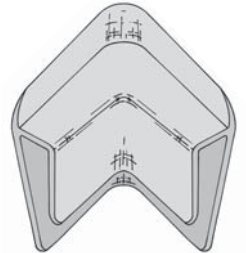

Left hand stacking corner piece

Right hand stacking corner piece

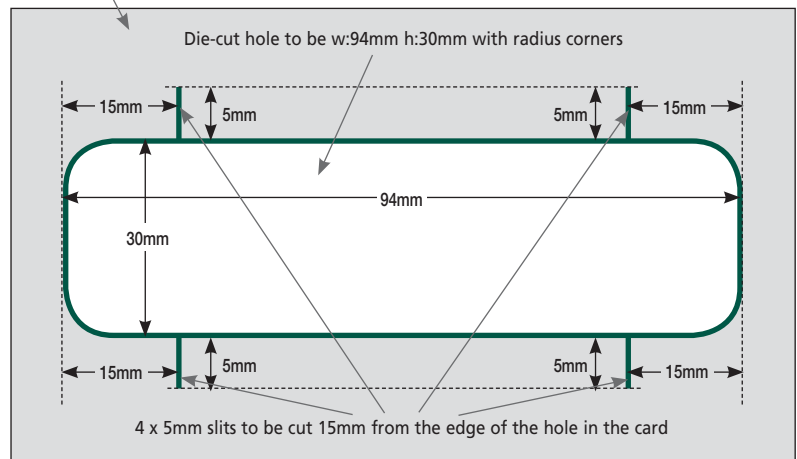

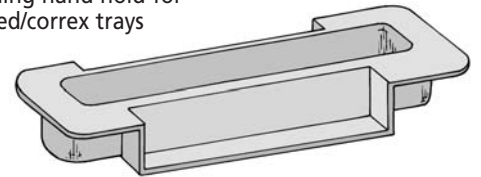

Equi-corner stacking piece

Hand hold
